

Registering your child for TCYBA Basketball

New players to the TCYBA will need to set up a member account prior to registering the player for the 2011-12 TCYBA league. This member account is your **family account** - all your children are added to this account. This account will be used for all future registration events with the TCYBA (you will only need to set up the member account once).

Steps for creating your member account

STEP 1 - Click on the link to enter the registration site

Once on our registration site, click on **MEMBER LOGIN** - then please click on **BECOME A MEMBER to create a new account**.

STEP 2 - MEMBER INFORMATION

Please fill out the required information to create your member account- **PLEASE USE PARENT OR GUARDIAN INFORMATION IN THIS SECTION.**

STEP 3 - PLAYER INFORMATION

Next please add your child's information - please fill in **ALL** of the applicable data.

STEP 4 - TEAM SELECTION

Please indicate which team you wish to register your child to (use pull down menu under each age division).

PLEASE NOTE:

- **NEW PLAYERS CANNOT REGISTER TO A TEAM UNTIL JUNE 17, 2011 (6:00 pm).**
- New players to the TCYBA must register in the division where their grade (in September) will be the higher grade of the two grades in the division. For example a new Grade 5 player to the TCYBA must register at the Grade 4/5 level.

Your registration will be rejected if you register too early or if you register in the wrong age group. Your child will not be officially registered on a team until you receive a confirmation email from the TCYBA.

STEP 5 - UNIFORM SIZING

Please enter the uniform information for your child (Jersey and Shorts). The uniform and ball will be given to your child at their first league practice in September.

STEP 6 - PAYMENT OF FEES

Payments must be made in full at the time of registration (via our SECURE credit card or debit card option). All participants must acknowledge receipt of the TCYBA liability policies, photo permission and our refund policy prior to concluding the player registration.
